

Instructions

- (1) The total duration of the examination is 25 minutes. A bell will be rung every five minutes.
- (2) The examiner at your station will give you a writing board, a torch and pen. Please use only the given pen to mark the final answers on the map provided in the Summary Answersheet. Answers marked using any other writing instrument will not be considered.
- (3) After your examination is over, return the writing board, torch, pen and the envelope including your answersheet to the examiner.
